Hi Alyse, I look forward to getting together with you all, any time after 10 works for me right now (except 11 -12), I'll let John pick a time that works best for him – thanks!

Hi Charles/John –

We are confirmed to be in DC next week and hoping to still find some time to meet with you on the morning of Thursday June 9th. It will be myself, along with Lynn Juett, Tom Mahler and Mary Peterson from our Superfund Program. We meet with OECA from 9 – 10 and it would be great to find some time on your calendars afterwards. We need to leave for the airport in time to catch a 4:00 flight but otherwise we are fairly free.

Thanks! Alyse

Great – once I have our travel details worked out I'll send a placeholder appointment to hold some time on our calendars. It will be myself and Lynn Juett from our Superfund Program. Our RA and Mary Peterson (Superfund Division Director) will also be in town for the SES meeting the day prior, and I believe they will be meeting with OSWER folks if possible.

Hi Charles/John –

A few of us from the West Lake team will be in DC the morning of June 9th and I was wondering if you might be available for a short meeting? Mainly want to catch up in person about the path forward for the Site if you have some time.

Thanks, Alyse
